<http://www.marriott.com/hotels/travel/cvkgk-kingsgate-marriott-conference-hotel-at-the-university-of-cincinnati/>

Scope/Topic:

At this workshop, you will learn why decontamination is important, and when decontaminations should take place. Methods of decontamination will be discussed, focusing on Chlorine Dioxide Gas, and why it is the safest and most effective method available today. Various applications, material compatibility, efficacy, and safety will also be discussed.

Space is limited, so sign up early.
