

# CD ClorDiSys

Microbial Decontamination Equipment and Services

## You're invited to enjoy the Sprecher Brewery with Clordisys!

You are invited to come and enjoy Milwaukee's Sprecher Brewery while you're in town attending the IAFP Annual Meeting. It's a night you'll be sure to remember, where you will enjoy dinner and all of the Sprecher Brewing Co's beers and gourmet sodas. We hope you can come and enjoy a fun night with all of us at Clordisys at one of the most unique places in town. During dinner, we will present a brief overview of our chlorine dioxide gas decontamination services for the microbial decontamination of food processing / production / and manufacturing facilities.

### When:

August 2, 2011  
6:30pm – 10pm

### Location:

Sprecher Brewery  
701 W. Glendale Ave  
Glendale, WI 53209

[www.sprecherbrewery.com](http://www.sprecherbrewery.com)

(transportation will be provided from  
the Convention Center)

**Sprecher**<sup>TM</sup>  
BREWING CO., INC.

### RSVP:

As this is a limited capacity event we ask that you RSVP by July 2<sup>nd</sup>.  
To RSVP, please email [kevinlorcheim@clordisys.com](mailto:kevinlorcheim@clordisys.com).

You are welcome to bring additional guests, however please include the names of all guest(s)  
as our capacity is limited and registration is required for all attendees.

## We hope you can come!
